Her Majesty Mannye Klo Dodue I, known in private life as Mensima Clerk, is the first Dipo & Kusum Queenmother of the GaDangme and the first *Mannye* to hold an Ancestral Stool with formal allegiance, to the entire GaDangme Land.

As a new-fashioned Traditional leader, Mannye Klo Dodue is transforming GaDangme society, by harnessing ancient traditions and re-centering them within contemporary African life. Her philosophy is Freedom-of-Tradition, and

holds this truth as a guiding principal of her reign. From heritage conservation initiatives, to her scholarship of *kusum* (custom), Mannye Klo Dodue is a modern Monarch creating a feminine approach to African Chieftaincy.
